Topics

Approval to Establish a New Securities Subsidiary in Germany

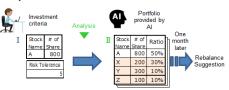

SMBC Nikko has been granted approval by the Federal Financial Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht, BaFin) to establish a securities subsidiary in Frankfurt, Germany. In order to provide clients with undisrupted financial services following Brexit, including in the case of a no-deal Brexit, we will, subject to the approval of Japanese regulatory authorities, continue preparations so that the subsidiary may commence operations in 2019.

Project using AI (Artificial Intelligence) and Big Data

Sumitomo Mitsui Financial Group, SMBC Nikko have launched a project to practically realizing provision of investment information using Artificial Intelligence together with HEROZ Inc.

Al Stock Portfolio Analyses (Diagnosis) Service

Al will estimate the expected return for the following month, based on stock prices and financial data. Following Modern Portfolio Theory and clients' risk tolerance, Al will provide profitable stocks for the client.

Al Stock Guide Service

Using Al-analyzed stock trends based on economic indicators and market conditions we will inform our clients the best timing of transaction through Emails.

New TV Commercial

As a part of our brand strategy targeting the upper class society, we have launched our new TV Commercial starring Kabuki Actor Nakamura Kichiemon II, also known as "Living National Treasure".

Through this TV commercial we deliver the following message. "SMBC Nikko will continue on as a securities firm that can provide premium value through our financial services to fulfill our clients' expectations on leading an enriched/prosperous life. We will support by understanding the assets, businesses, expectations for the future and even life perspectives that our clients inherited from their ancestors."

その人生に、SMBC日興証券。

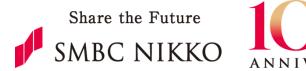

Establishment of SDGs Finance Office

Our newly established SDGs Finance Office (under Capital Markets Origination Division) will support financial activities related to solving environmental/social problems and also provide further investment opportunities.

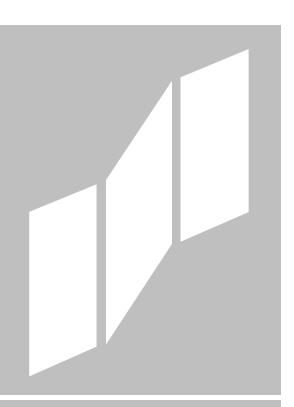

In 1999, we started handling the Nikko Eco Fund, the first Social Responsibility Investment fund in Japan to introduce a stance in environmental conservation. Since then, we have proactively engaged ourselves in environment-related financial products such as Green Bonds.
