NEW COLLATERAL RECOVERY UPDATE REQUIRED

Dear Petitioner:

I am delighted to inform you that the Madoff Victim Fund is now preparing for our fifth payment to approved victims of the Madoff fraud ("D5"), which we expect to begin in the spring of 2020. We have previously completed four distributions, bringing each victim's recovery to 66.85% of their eligible losses. MVF's four distributions have included cash payments of \$2.4 billion to over 37,000 victims and another \$1.01 billion committed for victims that have not yet been able to provide complete collateral recovery information

As with previous distributions, the Department of Justice will establish a target recovery percentage for D5. Your individual payment will be this target percentage of your approved fraud loss amount, *less all prior recoveries from any source*. Therefore, in order to send a new payment to you, MVF must have up to date information on your total recoveries.

The table attached to this letter details what our records show you have recovered. Please correct any erroneous amounts and add any new recoveries on your Madoff losses. You may do so in one of three ways:

- Visit our website at madoffvictimfund.com and click on the "Update Recoveries" button, then follow the instructions and fill in the required information.
- Make any changes or additions directly on the attached table, sign it and mail it back to us. You can email a copy of your completed and signed notice to info@madoffvictimfund.com or mail it to the address shown on the first page of this notice.
- If you have not recovered any payments with respect to your Madoff losses other than those listed in the table, you can simply send an email certifying "**NO ADDITIONAL RECOVERIES**". You must include your claim number in any email.

If you need assistance after reviewing this Notice, please contact MVF's Help Desk by e-mail or by telephone at (866) 624-3670.

Most Sincerely,
Richard C. Breeden
Special Master, Madoff Victim Fund
